## THE PRESIDENT'S MESSAGE:

I think the people who are working and supporting WSI are doing a wonderful job. Our busiest time of year has begun with football parking. Those working during Nebraska football games have been extremely busy and are doing an outstanding job. I have heard many comments from those parking here that they love the place and the people working and they feel like it is one big family.. They have also commented on how great the building looks. The entire interior has been painted, work has been done on the bathrooms and the front of the building. The back door and surrounding area has been painted also and the lot has been graded. My sincere thanks to all those who have helped accomplish all of this.

Dennis Wieting, President

SPECIAL POEM

A row of bottles on my shelf  
Caused me to analyze myself  
One yellow pill I have to pop  
Goes to my heart so it won't stop  
A little white one that I take  
Goes to my hands so they don't shake  
The blue ones that I use a lot  
Tell me I'm happy when I'm not  
The purple pill goes to my brain  
And tells me that I have no pain  
The capsules tell me not to wheeze  
Or cough or choke or even sneeze  
The red ones, smallest of them all  
Go to my blood so I won't fall  
The orange ones, very big and bright  
Prevent my leg cramps in the night  
Such an array of brilliant pills  
Helping to cure all kinds of ills  
But what I'd really like to know...  
Is what tells each one where to go!

There's always a lot to be thankful for  
If you take the time to look for it.  
For example, I am sitting here thinking  
How nice it is that wrinkles don't hurt.
